Watts Before Magistrate.

The case of R. L. Watts, charged with shooting the negro Owen, who is attempting to arrest him, came up yesterday before Squires Cheatham and Robertson. Judge Gregory represented the Commonwealth and Ernest Wells the accused. Mr. Wells waived a preliminary hearing, saying that he wanted his client to go before the Circuit Court of Chesterfield.

It is stated that Mr. George E. Wise, of Richmond, has been employed by the negroes of Richmond to aid Judge Gregory in the prosecution.

Death of An Infant.

William Albert Atkins, the infant son of Mr. and Mrs. A. A. Atkins, of Holly Springs, died yesterday afternoon at 1:45 o'clock. He was six months old.

Miss Clara, of No. 1501 Hull Street, left yesterday to visit friends in Waverly, Va.

Davis Council, Jr. O. U. A. M., met last night and installed the newly-elected officers.

A Petersburg Sunday school ran an excursion to Forest Hill Park yesterday. It required four coaches to carry the crowd.

WISE CASE GOES OVER.

Justice Crutchfield Allows Grand Jury to Probe Matter First.

A mark of respect to the grand jury which first began an investigation of alleged illegals in the recent primary, Justice Crutchfield in Police Court yesterday morning refused to receive the case against Jackson Wise, who is charged specifically with aiding and assisting in the unlawful registration of a voter.

The grand jury will convene Monday of next week and will, it is believed, begin immediately to probe to the bottom the alleged wrong.

In the event that the grand jury fails to find a true bill against the accused, the charges of aiding and assisting in the registration of a voter will be dropped.

Commonwealth's Attorney Richardson and Justice Crutchfield were of the opinion that the case should be continued until after the grand jury had convened.

FINED FOR NOT MOVING.

Negro Wanted to Sit Among the Whites and Had to Pay.

Taylor New had an old story to tell Justice John yesterday morning. New is a young white man, and he started out with a distinctly new idea. The execution of the idea was according to the old principles. He used profane language in the presence of ladies and was fined \$5.

James Bland, a negro, wouldn't take the third seat on a street car when told to do so by the conductor, and James contributed \$10 at the suggestion of Justice Crutchfield.

Eddie Watson and Annie Sulley, two negro boys, threw rocks on the street and against houses. They were ordered to be whipped.

P. S. Wood and J. H. Nance paid \$250 each for the privilege of fighting on the street.

Jack Jackson acted disorderly on the street and was fined \$250. Friends made the collection.

It wasn't proven that Travis Chamberlain was a deserter from the United States navy.

Wrestling Match Postponed.

The wrestling match between Messrs. Woodall and Herbert that was to have taken place last night was postponed until next Tuesday night. It was erroneously stated that Mr. Herbert was thrown by Mr. Woodall. Just the op-

Politicians Laugh at It.

The report that Mr. Thomas F. Ryan, of New York, who holds a legal residence in this State, is a probable aspirant for the United States Senate to succeed Senator Daniel is laughed at by local politicians.

Franklin W. W. Friend, Jr., who is a prophecy is a long distance one, since Senator Daniel's term in the Senate, which began last March, does not expire until March 4th, 1911, six years hence.

Of course, death may cut short the brilliant career of Senator Daniel, as it may the career of any man, but such a contingency is not such as to form the foundation for senatorial ambitions.

Mr. Ryan owns a home in Nelson county, Va., and was elected a delegate to the national convention in 1894, but so more foundation for the assertion that he will be a candidate for the Senate from Virginia.

Mr. Ryan was in the report recently wired from Washington that Captain John S. Wise would be a candidate.

Ever Doing a Noble Work.

The Society for the Prevention of Cruelty to Animals and the organization does not disband during the summer.

The earnest and indefatigable members of the "board" meet on the second Tuesday of every month in the year.

The agent's report for June was as follows:

Horses and mules unfit for work, untraced and sent to stable to be cared for..... 32

Horses and mules ordered to be shot..... 2

Admissions, 77; small animals destroyed, 8; large animals destroyed, 29; fines collected, \$12.60.

The next meeting is on the 8th of August, at No. 310 East Franklin Street.

The spirit of the organization is spreading all over the State, and directions for forming branch societies are constantly solicited.

Hibernians at the Seashore.

An excursion to Buckroe Beach will be run Wednesday, July 19th, by the Ancient Order of Hibernians. The ladies of the auxiliaries and their friends from Norfolk, Portsmouth, Newport News and other points in the city will be invited.

Among other attractions will be a special performance at the Casino and a base-ball game between the Hibernians and some of this city's best local players.

Messrs. Thomas A. Reddin, George I. Byrne, C. J. Starkey, James Walsh, Frank McDonough and Edward J. Burke compose the committee. The train leaves Main Street Station at 7:45 A. M. sharp.

Laughed at Child He Had Hurt.

Dixie Redmond, an eight-year-old white boy, living with his aunt, a few miles below the city, was run down by a car driven by a negro man yesterday morning. The wheels passed over the lad's foot, crushing the toes. After seeing the child in pain, the driver of the negro only laughed and drove on, offering no assistance whatever. The officers are searching for him to-day, and if found he will be dealt with severely by the county authorities.

Is Eligible Again.

It was inadvertently stated in yesterday's paper in connection with the talk about Commissioner Hawkins and Treasurer Phillips running next time for the offices now held by each other, that the latter would be ineligible for the present term. Mr. Phillips may serve one more term after this one, should he again be elected.

Paid Up Well.

A great many merchants and business men availed themselves of the opportunity of paying their license taxes yesterday prior to the meeting of the board of directors to the Commonwealth's attorney. The list is reduced materially, and is no longer than usual.

Mr. O'Flaherty Goes Abroad.

Mr. D. C. O'Flaherty, of the law firm of O'Flaherty and Fulton, will leave next week for New York, where he will work for a month or two.

Mr. O'Flaherty will have charge of the offices of the firm in this city during Mr. O'Flaherty's absence.

Lee Camp Meets To-night.

Lee Camp will hold its regular meeting to-night. All members are requested to attend, as some action will be taken regarding the trip to Amelia Courthouse to-morrow.

DIAMOND WET; GAME POSTPONED

Crack Team From Emporia and Brownies to Play To-day.

GREAT CROWD DISAPPOINTED

Hundreds Come to Cheer the Visitors—The Line-Up.

The game will be played this afternoon and will begin at 4:45 o'clock. The diamond will be put in good order this morning, and unless it rains again to-day, base-ball lovers in the city will have an opportunity of witnessing one of the best exhibitions of the national game seen here this season.

More than two hundred Emporia people were disappointed yesterday because of the wet grounds. With the skinned diamond it was impossible to play, though both teams were on the ground. Manager Peebles had his men out shortly before 5 o'clock, and they indulged in a little practice work. They are a fine looking lot of players, and are heavier than the Brownies. Their record for hitting perhaps lends the record of the champions of the Twin City League.
